# SCHEDULE

Kindergarten – 8th Grades  
7:20 am – 2:30 pm

After School Care  
is available until 5:30 pm

Welcome to the beautiful campus of Corpus Christi School. Our school is a place where children are surrounded by a professional, caring and motivated staff of educators. Corpus Christi has created a Catholic learning environment that challenges students to reach their highest potential. Your child's educational success and religious foundations are what makes Corpus Christi School the right choice for your family.

*Corpus Christi School...  
inspiring God's children.*

FAITH ~ KNOWLEDGE ~ EXCELLENCE

*"Corpus Christi reinforces the beliefs and values that are important to our family, while providing our children with a strong academic foundation to prepare them for high school and beyond."* Cecilia, mother of five

## MISSION

Corpus Christi School fosters spiritual growth, academic excellence and lifelong learning in a caring Catholic community.

## CURRICULUM

Corpus Christi is fully accredited by the Indiana Department of Education and has earned its highest rating as an "A", exemplary school. Our curriculum is well-rounded and consistent with that endorsed by the state of Indiana. Students receive daily instruction in religion, language arts, science, math and social studies. They also have weekly lessons by specialized teachers in art, music, physical education and computer science. Students have the opportunity to participate in a wide variety of extracurricular activities and programs which help to enrich their learning experience.

## FACULTY

Corpus Christi's average enrollment is approximately 250 students. This allows for smaller class sizes and provides the opportunity for our teachers to better know their students and offer a variety of instructional methods to meet individual learning styles. Our faculty members work closely with students and their parents to help ensure that each student is performing and achieving to the best of his or her ability. This hard work and dedication is confirmed by our annual ISTEP scores which have consistently been well above the state average each year.

## SPIRITUAL DEVELOPMENT

Corpus Christi is focused on faith in action and Christian values. Students are taught to live the gospel message of Jesus, and our school family prays together several times each day. They attend religion class daily and receive sacraments with the school community. Our students are active participants in an all-school mass each week serving as lectors, altar servers, choir members and gift bearers.

## FAMILY INVOLVEMENT

Parents are active participants in their child's educational experience at Corpus Christi School. They are encouraged to meet directly with teachers to discuss their child's progress and development. Families also provide valuable and appreciated volunteer service and help to strengthen our school community.

*"We knew Corpus Christi was the right place for our family from the very beginning. The teachers really get to know their students and are willing to go the extra mile to help them grow and achieve."*

Eric, father of three

*Corpus Christi Catholic School was established in 1959 and is proud of its rich tradition of academic excellence and spiritual growth for students in preschool through 8th grade.*
